**Object:** *Commitment to Global Compact*

Dear Mr. Secretary-General,

I am pleased to confirm that the National Institute for Agricultural Economics (INEA), Italy, supports the ten principles of the UN Global Compact with respect to human rights, labour, environment, and anti-corruption.

With this commitment, we express our intent to advance these principles within our sphere of influence, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to take part in the activities of the UN Global Compact where appropriate and feasible – through, for instance, participation in Country/Local Networks; involvement in specialized initiatives and workstreams; engagement in partnership projects; and reviewing and providing commentary to participating companies on their Communications on Progress.

Sincerely yours,

  
Dr. Alberto Manelli  
Executive Director
